

WAVE RELAY® TRAINING INFORMATION

1. What time does the class run?

Basic Course: 9:00am - 5:00pm

Advanced Course: 8:30am - 5:30pm

2. What do I need to bring?

Just yourself. Instructors will provide all equipment needed for the courses. You are welcome to bring a laptop if you need to maintain connectivity during the class. Wi-Fi is available.

3. What is the attire for the course?

Casual. On Day 2 an outdoor exercise is conducted (weather permitting).

4. Do I need to bring lunch?

A light breakfast and lunch will be provided each day.

5. I've never been to NYC, where do I go?

Persistent Systems is located on 5th Ave. in Manhattan, not far from the Empire State Building. There are a variety of hotels within walking distance of our office. Our address is 303 Fifth Ave., Suite 306. Contact us for additional details.

6. What is the prerequisite for the Advanced Course?

You must successfully complete the Basic Operator Course to sign up for the Advanced Course.

7. Is there a test?

The Basic Operator Course does include a test to ensure objectives are met.

8. What is the cancellation policy?

Students may cancel for a nominal fee up until 15 days prior to the start of the course. Within the 15 days, the course fee is non-refundable.
